Angeles Investment Advisors Receives Greenwich Quality Leader Award

(SANTA MONICA, CA, 02 May 2018) — Angeles Investment Advisors is pleased to announce that it was named a **2017 Greenwich Quality Leader** in Overall U.S. Investment Consulting among midsize advisors by Greenwich Associates. This award is based on research conducted by Greenwich Associates, a leading provider of advisory services to the financial services industry, based on a national study of over 1,000 institutional investors.

"Angeles' business model is based on the goal of exceeding clients' expectations for investment performance and client service. It's extremely gratifying to see this goal realized in the Greenwich Quality Leader results," said Michael Rosen, Chief Investment Officer and Co-Founder of Angeles. "Our top overall score was a result of receiving high marks across the many categories that our clients value, such as knowledge of managers, understanding of client objectives and credibility with trustees," he added. "We are grateful for the trust and support of our clients, and pleased to be honored by Greenwich Associates. Credit for this recognition lies with the many exceptional people at Angeles, whose dedication and diligence to their work and our clients is simply unmatched," Rosen said.
